Dear Congressman Kelly,

I am writing to express my strong support for the Community Project Funding request submitted on behalf of the Booneville Police Department.

This funding would provide essential equipment that will directly support local law enforcement officers in their daily mission to protect the public and maintain community safety. Reliable, modern equipment is critical for effective policing, officer safety, and timely emergency response. This investment would help ensure the department has the tools necessary to meet the needs of the community it serves.

The Booneville Police Department plays a vital role in safeguarding residents, responding to emergencies, and supporting the public safety efforts across the community. As demands on local law enforcement continue to increase, access to updated equipment will enhance operational readiness and improve overall service to the public.

This project represents a responsible and targeted use of federal funds that will deliver tangible benefits to the community. By strengthening law enforcement capabilities, it will help create a safer environment for residents, businesses, and visitors while supporting the officers who work every day to keep our community secure.

Thank you for your continued leadership and commitment to supporting local communities and public safety. I respectfully urge your support for this important Community Project Funding request.

Sincerely,

Michael Smith

Dear Congressman Kelly,

I am writing to express my strong support for the Community Project Funding request submitted on behalf of the Booneville Police Department.

This funding would provide essential equipment that will directly support law enforcement officers in their daily mission to protect the public and maintain community safety. Reliable, modern equipment is critical for effective policing, officer safety, and timely emergency response. This investment would help ensure the department has the tools necessary to meet the needs of the community it serves.

The Booneville Police Department plays a vital role in safeguarding residents, responding to emergencies, and supporting public safety efforts across the community. As demands on local law enforcement continue to increase, access to updated equipment will enhance operational readiness and improve overall service to the public.

This project represents a responsible and targeted use of federal funds that will deliver tangible benefits to the community. By strengthening law enforcement capabilities, it will help create a safer environment for residents, businesses, and visitors while supporting the officers who work every day to keep our community secure.

Thank you for your continued leadership and commitment to supporting local communities and public safety. I respectfully urge your support for the important Community Project Funding request.

Sincerely,
