Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Booneville Flexible Patrol Operations & Safety Advancement Project as a community project funding request. The intended recipient is the Booneville Police Department, located at 504 North 2nd Street., Booneville, MS 38829.

The Booneville Flexible Patrol Operations & Safety Advancement Project will strengthen public safety in Booneville by equipping officers with dependable vehicles and updated tools necessary for consistent patrol and emergency response. Aging equipment often results in costly repairs and service interruptions that limit officer availability. By replacing outdated resources, the department can operate more reliably and allocate funds more efficiently over time. In addition, modern in-car technology promotes accurate reporting and reinforces transparency, helping maintain strong relationships between officers and the citizens they serve.

The project has a federal nexus because the funding provided is for purposes authorized by section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).
[for DOJ Byrne JAG projects]

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Trent Kelly'.
