The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Fulton Flexible Policing Innovation & Safety Enhancement Initiative as a community project funding request. The intended recipient is the Fulton Police Department, located at 303 W. Cedar Street, Fulton, MS 38843.

This project will provide Fulton's law enforcement officers with the updated resources necessary to maintain consistent and effective service delivery. Reliable transportation and improved in-vehicle systems increase response capability and reduce avoidable downtime. Modern technology also supports accurate data collection and strengthens procedural transparency. Together, these improvements enhance officer protection, improve operational performance, and ensure public funds are used in a responsible and impactful manner.

The project has a federal nexus because the funding provided is for purposes authorized by section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Trent Kelly".
