The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
H-307 – The Capitol  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Monroe County Flexible Community Safety & Response Project as a community project funding request. The intended recipient is the Monroe County Sheriff's Office, located at 700 N. Meridian St, Aberdeen, MS 39730.

The Monroe County Flexible Community Safety & Response Project would enhance public safety in Monroe by providing law enforcement with dependable vehicles and updated technology. Improved equipment reliability allows officers to maintain continuous service without interruptions caused by mechanical issues. Modern systems also support transparency and accurate documentation. The project benefits both the department and the community through improved efficiency and accountability.

The project has a federal nexus because the funding provided is for purposes authorized by section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Trent Kelly'.
