The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Oxford Regional Water Resources Program as a community project funding request. The intended recipient is the City of Oxford, located at 107 Courthouse Square, Oxford, MS 38655.

This project provides important benefits to the community by supporting reliable access to clean and safe water while protecting local environmental resources. Investments through this program help improve water infrastructure, strengthen system reliability, and reduce the risk of costly failures in the future. By ensuring sustainable water management and supporting responsible infrastructure improvements, the program promotes public health, environmental protection, and long-term stability for the community.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Trent Kelly'.
