To Whom it May Concern:

The City of Oxford is proud to offer this letter of support for the proposed Improving Safety Through Enhanced Technology & Equipment project for the University of Mississippi Police Department.

I understand that this project aims to improve the operational effectiveness and information security of the University of Mississippi Police Department by modernizing the department's technological assets while using advancements in public safety technology to increase the department's capability to deter, investigate, and pursue criminal activity within the University of Mississippi community.

The Lafayette, Oxford, University (LOU) enjoy a very strong relationship and this proposed initiative will not only enhance effectiveness and safety for the University of Mississippi but also the Oxford and Lafayette County community.

I enthusiastically support this project and encourage you to contact me if I can be helpful in any way.

Sincerely,

Robyn Tannehill, Mayor
City of Oxford
