The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
H-307 – The Capitol
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Oxford, MS - Oxford Regional Water Resources Program as a community project funding request. The intended recipient is the City of Oxford, Mississippi located at 107 Courthouse Square, Oxford, MS 38655. The Oxford Regional Water Resources Program is a valuable use of taxpayer funds because it directly addresses critical water resource needs in the Lafayette-Oxford-University community. The program aims to provide cost-effective solutions that enhance water, wastewater, and stormwater management.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Trent Kelly
Member of Congress
