

Congress of the United States

Washington, DC 20515

July 30, 2026

The Honorable Donald J. Trump
President of the United States
The White House
1600 Pennsylvania Avenue, Northwest
Washington, D.C. 20500

Dear Mr. President,

As members of the Mississippi congressional delegation, we write to express our strong support for your efforts to address critical national defense, agricultural, and election-security priorities through the budget reconciliation process. We urge the Senate to support your requests and move expeditiously to finalize and pass a budget resolution.

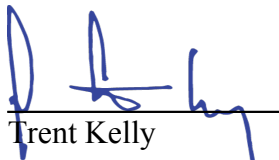

The threats facing our nation require the Department of War to have the resources necessary to defend the United States and protect American interests. Our brave men and women in uniform deserve the equipment, munitions, and support needed to carry out their missions and return home safely. We fully support your request to meet these immediate defense needs.

We also strongly support your request for farm aid. Family farms across Mississippi are going out of business, while many others are struggling to survive from one crop year to the next. This assistance would provide a critical lifeline, helping our farmers remain in operation, meet their obligations, and continue producing the food and fiber our nation depends upon.

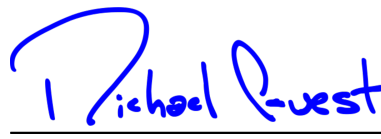

Finally, Americans deserve elections they can trust. We support your efforts to expand access to voter identification, encourage strong state election practices, and account for the SAVE America Act in the Senate budget resolution.

Thank you for your leadership on these priorities. You can count on our support as we urge the Senate to act and work to send the subsequent reconciliation package to your desk without delay.

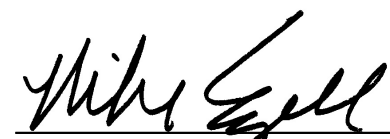

Sincerely,

Trent Kelly
